## BULLS

**Coronet Nuggett:** This is one of the good all red bulls of our breed. We have used him some to intensify the blood of Coronet Memory. His half sister from Coronet Memory topped the females at the last Omaha sale. She sold to Janesway Farms of Chillicothe, Ohio. Another calf by the same bull was first in calf class at 4<sup>th</sup> Iowa State Fair. We have won four firsts and a reserve champion on calves by Coronet Memory at Omaha sales.

**Vaccinated for Bangs.** He lost one eye when a calf.

IOWA POLLED SHORTHORN CLUB SALE

**Alauna Augustus**

is the bull we listed in the Congress Sale but he went a little lame and we kept him at home. You will note that he is a half brother to the 1946 Congress Grand Champion bull, Alauna Collynie that sold for \$2500, both being sired by Alauna Lord Collynie. Another brother, Alauna Captain, was reserve champion at the 1945 Iowa State sale and still another brother, Alauna Broadway, was grand champion at the 1946 Iowa State Sale. This dark red bull will uphold the honor of the Alauna Lord Collynies. His dam is a very feminine headed, heavy milking granddaughter of the great Tomson Bros. breeding bull, Proud Archer. Bridgebank Jubilee was the sire of Alauna Collynie's dam.

## This Is Significant . . .

At the first leading livestock show of 1947—The Illinois State Fair—the number of Polled Shorthorn bulls, Shorthorn females and the number of Polled Shorthorns shown in groups exceeded the number of Shorthorns shown in the same divisions, according to a published report.

Starting sixty years ago with a zero percentage registration among the beef type Shorthorns the Polled type has grown in popularity until in 1946 Polled Shorthorns comprised 23% of the registrations among the beef type registered by the American Shorthorn Breeders Association. Please note by the accompanying chart the phenomenal growth since 1940, especially that number of registrations have more than doubled during that time.

You'll buy Polled Shorthorns ultimately as the most efficient beef cattle for your farm—why not start with them now?

## The Iowa Polled Shorthorn Club

The Iowa Polled Shorthorn breeders had their first sale in the fall of 1941. Each fall since that time there has been a show and sale. The most outstanding event put on by the Club was in October 1946, when the offering was of the best average merit and selling at the highest average price of any of their sales.

The membership of the Club has grown steadily among the leading breeders of the state until we now have 58 members. We invite all people in Iowa and adjacent territories who are interested in Polled Shorthorns, to pay dues of \$2.00 for the fiscal year October 1, 1947, to Sept. 30th, 1948, and assist in the breed's advancement. In order to benefit the public and the members we feel it best to publish the entire membership list in our Fall Sale catalog and also in the catalogs of all sales sponsored by The Club.

The Club will sponsor the third "Hawkeye Downs Polled Shorthorn Sale" at Cedar Rapids on Feb. 17th, 1948 and we anticipate the Club will sponsor a Polled Shorthorn sale in north Iowa, possibly in March, 1948.

Roan, E. P. Laughlin

This is a good Bessie heifer by Coronet Memory. I bought the foundation Bessie from Harry Hopley after she had won her class and one of the get of sire group sired by the International Champion Browndale Goldspur, at the Omaha Ak-Sar-Ben show at Omaha. She will be bred to Collynie Express, our good all red son of Collynie Compact. This calf will be closely related to the Grand Champion female at the last International.

Pretested and vaccinated for Bangs.

Gloster Alauna 9th—A nice even roan heifer and a half sister to the winning calves mentioned above. She is from one of our old standby breeding cows that is sired by the 1932 International Jr. Champion Shorthorn bull, Dale's Lodge Keeper. Tested clean and Bang's vaccinated. Sells open. You will like her.

**Red Oak Secret 11th**

We have never sold a better heifer than Red Oak Secret 11th. She is an outstanding, beautiful red heifer by Red Oak Sensation x who has never sired a horned calf. It is hard to fault her anywhere and her breeding is perfect. She is a full sister to last year's Supreme Champion and is a whole lot better heifer. Few females as valuable will be sold this year. Pre-tested clean and Bangs vaccinated.

Mac's Butterfly Empress—Here is a good low, blocky calf that will certainly please the most discriminating buyer. She is bred to the King of Vanities 2d and her calf will have quite a pedigree, combining the blood of the Geo. E. Smith and L. W. Thieman herds.

**Rodney's Stamp**—Has been a very successful sire in the Glenn Yoakam & Son herd and is now chief herd bull in the A. S. Wimer herd at New Sharon. His calves won 3rd junior yearling bull, 2nd and 3rd prize junior bull calves and 1st prize junior heifer calf at the 1947 Iowa State Fair for the Yoakams. Note his son as lot 3 in this sale.

### **POLLED SHORTHORNS—THE EFFICIENT BREED**

By far the easiest, most humane, most profitable, and most satisfactory solution to the horn injury problem which deprives the American family table of millions of pounds of meat every year, is to raise Polled Shorthorns. Polled Shorthorn bulls are natural dehorners when used on herds of horned cows. With Polled Shorthorns there's no waiting for right weather, no loss in feedlot gains, no mess, no bother. It is no wonder that Polled Shorthorns are popular.

### **YOU CAN'T BEAT POLLED SHORTHORNS**

Polled Shorthorns are tops in weight for age, gentleness, quality, modern type, and their ability to utilize farm-grown roughages efficiently, is unexcelled. Combine this with the fertilizer which they give back to the land and you have the ideal plan for soil conservation.
